HONOR ROLL

Of Paris High School, Grades and Commercial Department For Month of October—Excellent Condition of School Revealed by Report.

In every respect the schools are prosperous. The total enrollment in the white school has increased to 684 and in the colored school to 332. THEATRICAL.

MRS. LESLIE CARTER AT LEXINGTON.

Mrs. Leslie Carter in a new play "Two Women" comes to the Lexington Opera House for two performances, matinee and night, Thursday, October 9. She will appear in a dual role and in portraying two characters, each the direct antithesis of the other, she is said to demonstrate a scope of versatility hitherto unrevealed, a triumph for Mrs. Carter, acknowledged to be the greatest of emotional actresses. The play is in five acts; the production has been lavishly staged and the exceptionally good company of players give excellent support to the star. The "Two Women" now in its second season has proven a big success.

The sale of seats for this engagement will open Tuesday morning, November 7 and orders for seats sent to Manager Scott accompanied by a remittance will receive prompt attention.

Baby as Luggage.

The latest style of baby carriages was seen in the Union depot recently. It is a simple affair—the baby, a board and several straps. At first glance the baby might be mistaken for a bunch of clothing bound together in an old fashioned shawl strap, but on looking closer you see that on the child's back a board was placed, and three stout straps bound the youngster to it. A leather added to its convenience.—Chicago Inter Ocean.

Is the World Growing Better?

Many things go to prove that it is. The way thousands are tending to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters she now advises other sufferers everywhere to take them. "For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They are the best tonic and liver and kidney remedy that's made. Try them. You'll see. 50c at Oberdorfer's.

Taking Notice.

"At what age, doctor," asks the caller, "do women begin to notice the men?" "Well," replies the great savant, "on that point there is a difference of opinion among the authorities. Some of them assert that the female child notices the opposite sex when one day old, while the rest claim she does not until she is at least 48 hours old."—Chicago Post.

Love's Young Dream. Next to a requited attachment, one of the most convenient things a young man can carry about with him at the beginning of his career is an unrequited attachment. It makes him feel important and business-like and blase and cynical; and whenever he has a touch of liver or suffers from want of exercise, he can mourn over his lost love and be very happy in a tender twilight fashion.—Rudyard Kipling.

Stick to the Party.

Democrats are asked to believe that Republicans will not let politics enter into city affairs. It has been the unvarying history of Republican rule that they demand everything in sight. Don't let any Democrat help them through any such plea. Stick to your own party.

ASHAMED OF HER FACE

"I was ashamed of my face," writes Miss Pickard of North Carolina. "It was all full of pimples and scars, but after using D. D. D. Prescription for Eczema I can say that now there is no sign of that Eczema and that was three years ago." This is but one of thousands of cases in which D. D. D. has simply washed away the skin trouble. D. D. D. cleanses the skin of the germs of Eczema, Psoriasis and other serious skin diseases; stops the itch instantly, and when used with D. D. D. soap the cures seem to be permanent. Nothing like D. D. D. for the complexion. Trial bottle 25 cents, enough to prove the merit of this wonderful remedy. We can also give you a full size bottle for \$1.00 on our absolute guarantee that if this very first bottle fails to give you relief it will cost you nothing.

AVOID HARSH DRUGS.

Many Cathartics Tend to Cause Injury to the Bowels.

If you are subject to constipation, you should avoid strong drugs and cathartics. They only give temporary relief and their reaction is harmful and sometimes more annoying than constipation. They in no way effect a cure and their tendency is to weaken the already weak organs with which they come in contact.

We honestly believe that we have the best constipation treatment ever devised. Our faith in it is so strong that we sell it on the positive guarantee that it shall not cost the user a cent if it does not give entire satisfaction and completely remedy constipation. This preparation is called Rexall Orderlies. These are made of a recent chemical discovery. Their principal ingredient is odorless, tasteless and colorless. Combined with other well known ingredients, long established for their usefulness in the treatment of constipation, it forms a tablet which is eaten just like candy. They may be taken at any time, either day or night, without fear of their causing any inconvenience whatever. They do not gripe, purge nor cause nausea. They act without causing any pain or excessive looseness of the bowels. They are ideal for children, weak, delicate persons and aged people, as well as for the most hearty person.

They come in three size packages, 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets 50 cents. Remember you can obtain them only at our store—The Rexall Store, G. S. Varden & Son, Paris, Ky.

Utilizing Intellect and Reason.

We have intellect—we possess reason. Let us, therefore, make these two servants work to discover for us the true way whereby we may scale the heights and plumb the depths of understanding, so that we may reach that summit of attainment which is ours by divine right, and where dark, loathsome pessimism has no place.

Sees Little Real Progress.

Has the race progressed? Only, we are told, in the sense of acquiring a little more material comfort. Civilized man today is no more moral than the savage, no different from man in the earliest Stone Age. His only goal is that for which he started when the second ice age extinguished the lost Paradise—self-preservation. Progress is simply the artificial re-creation of the lost Paradise.—Exchange.

CAUSE AND REMEDY.

Uncertainty of the immediate future is looked upon by many men of affairs, as a blockade to enterprise and business prosperity, and this blockade is now quite apparent throughout the channels of trade.

The Presidential Election; the efforts of Congress with no fixed purpose; Organized Labor as a new factor in politics; together with other matters of greater or less importance, represent at this time a chaotic conflict of separate interests, to harmonize which is now the problem before the country.

All want Prosperity, Peace and Plenty. Read with care the Cincinnati Enquirer, a journal that prints all the news each day from every commercial center throughout the world. A barometer of causes and effects that points out, as a Beacon Light, the danger and the safeguard therefrom.

As well known, the Daily Enquirer is the largest in size and highest priced paper in the United States, yet cheapest, measured by quality and quantity.

The Weekly Enquirer, with the cream and digest of all the news, able and conservative editorials, market reports, methods and results from Government and State Experiment Stations, veterinary matters, People's Forum, choice literature, short and continued stories, non-sectarian sermons, general information, etc., with the exclusion of all matters of scandal and immorality, is today the Cleanest Weekly Family Journal obtainable. Each issue is alone worth the price of a year's subscription.

Solicitors for subscriptions make a handsome profit and increase the good influence of The Enquirer in the uplift of morality and industry, and for the betterment and welfare of the community. For terms write to The Enquirer, Cincinnati, Ohio.

My Doctor Said

"Try Cardui," writes Mrs. Z. V. Spell, of Hayne, N. C. "I was in a very low state of health, and was not able to be up and tend to my duties. I did try Cardui, and soon began to feel better. I got able to be up and help do my housework. I continued to take the medicine, and now I am able to do my housework and to care for my children, and I feel as though I could never praise Cardui enough for the benefits I have received."

TAKE CARDUI The Woman's Tonic

Cardui is successful, because it is made especially for women, and acts specifically on the womanly constitution. Cardui does one thing, and does it well. That explains the great success which it has had, during the past 50 years, in helping thousands of weak and ailing women back to health and happiness.

If you are a woman, feel tired, dull, and are nervous, cross and irritable, it's because you need a tonic. Why not try Cardui? Cardui builds, strengthens, restores, and acts in every way as a special, tonic remedy for women. Test it for yourself. Your druggist sells Cardui. Ask him.
